

CROINTERVENT 2020

Wednesday 30.9.2020.

18:00 - 18:45	Opening ceremony		E. Margetić, D. Miličić, A. Ljubas, Ž. Plazonić
18:45 - 19:15	Opening lecture - A. Magdy	Kairo	When and Why To Do Revascularization for Chronic Coronary Syndromes?
19:15 - 19:45	Opening lecture - M. Vidovich	Chicago	Intravascular Imaging With Ultrasound and Optical Coherence Tomography
19:45 - 20:15	Opening lecture - V. Gelev	Sofia	Left Main PCI In 2020 - The Faith Remains the Same?
20:15 -	Welcome reception		

Thursday 1.10.2020.

Structural Heart Disease Interventions part 1.

Chairman: M. Bunc, M. Nedeljković, M. Strozzi

9:00 - 9:15	R. Bernat	Kaiserslautern	Mitraclip for Mitral Regurgitation - How to Find the Right Candidate?
9:15 - 9:30	S. Lončar	Banja Luka	Balloon Aortic Valvuloplasty as a Bridge to TAVR Program
9:30 - 9:50	M. Nedeljković	Belgrade	15 Years of TAVI Experience Through Evidence
9:50 - 10:10	M. Bunc	Ljubljana	TAVI in Low Risk Population
10:10 - 10:25	M. Strozzi	Zagreb	Is there a gender difference in percutaneous valve implantation outcomes? TAVI and PAVI results in females

Drug Coated Balloons

Chairman: Đ. Prvulović, T. Letilović, K. Marić Bešić

10:25 - 10:45	K. Bonaventura	Potsdam	Drug-Coated Balloon in Coronary Bifurcation: Case Based European Experience & Latest Clinical Data
10:45 - 11:00	T. Krčmar	Zagreb	Current Position of Drug Coated Balloons in Endovascular Procedures
11:00 - 11:15	T. Letilović	Zagreb	Treatment of ISR with DCB vs DES - Is it All as it Seems?
11:15 - 11:30	Đ. Prvulović	Rijeka	Call for Participation in PRO DAVID Trial

11:30 - 11:50 Coffee Break

11:50 - 12:20 LIVE CASE transmission from UHC Zagreb part 1.

Moderators: S. Stojković, J. Šikić, E. Margetić

Case 1. (D. Kirner, I. Kristić, J. Bulum)

Case 2. (V. Tomulić, D. Zekanović, T. Krčmar)

Complex lesions part 1.

Chairman: S. Stojković, J. Šikić, E. Margetić

12:20 - 12:40	S. Stojković	Belgrade	Bifurcation related to CTO
12:40 - 12:55	J. Šikić	Zagreb	Bifurcation lesions: stenosis and restenosis
12:55 - 13:10	M. Vučković, S. Makarović, Z. Makarović, D. Kirner	Osijek	Should we kiss?

13:10 - 13:40 LIVE CASE transmission from UHC Zagreb part 2.

Moderators: S. Stojković, J. Šikić, E. Margetić

Case 1. (D. Kirner, I. Kristić, J. Bulum)

Case 2. (V. Tomulić, D. Zekanović, T. Krčmar)

Short DAPT Update (Abbott symposium)

Chairman: B. Skorić, T. Letilović, T. Jakljević

13:40 - 13:55	J.L. Ferreira	Barcelona	Short DAPT - What do we know today?
13:55 - 14:00	J.L. Ferreira	Barcelona	Short DAPT - Where are we going to?

OCT guided PCI in clinical practice (Abbott symposium)

Chairman: B. Skorić, T. Letilović, T. Jakljević

14:00 - 14:15	J. Kanovsky	Brno	Planning and managing complex lesions: OCT in decision making through algorithmic approach, no guess PCI
14:15 - 14:20	J. Kanovsky	Brno	How does imaging changed my strategy - case presentation

14:20 - 15:20 Lunch Break

15:20 - 15:50 LIVE CASE transmission from UHC Zagreb part 1.

Moderators: J. Bulum, V. Tomulić, Z. Makarović

Case 3. (M. Trbušić, I. Hadžibegović, E. Margetić)

Case 4. (I. Šesto, T. Letilović, K. Marić Bešić)

Imaging Techniques & Non Angiographic Methods in Evaluation of Coronary Flow

Chairman: J. Bulum, V. Tomulić, Z. Makarović

15:50 - 16:05	J. Bulum	Zagreb	Functional assessment of coronary artery stenosis
16:05 - 16:20	M. Jukić	Zagreb	Computed tomography cardiac angiography in the scope of the new ESC Guidelines for Chronic Coronary Disease
16:20 - 16:35	Z. Makarović	Osijek	iFR physiology and decision making in clinical practice

16:35 - 17:05 LIVE CASE transmission from UHC Zagreb part 2.

Moderators: J. Bulum, V. Tomulić, Z. Makarović

Case 3. (M. Trbušić, I. Hadžibegović, E. Margetić)

Case 4. (I. Šesto, T. Letilović, K. Marić Bešić)

17:05 - 17:25 Coffee Break

Structural Heart Disease Interventions part 2.

Chairman: V. Tomulić, K. Štambuk, I. Hadžibegović

17:25 - 17:40 T. Jakljević
 17:40 - 17:55 T. Šipić, K. Štambuk
 17:55 - 18:10 V. Tomulić
 18:10 - 18:25 Z. Ostojić, J. Samardžić, S. Pavašević, D. Šipuš, I. Šafradin, V. Rešković Lukšić, J. Šeparović Hanževački, B. Skorić, D. Miličić, J. Bulum
 18:25 - 18:40 K. Štambuk, T. Šipić, I. Šesto, D. Richter, J. Szavits Nossan, L. Rotkvić, A. Jelić
 18:40 - 18:55 I. Hadžibegović
 18:55 - 19:10 I. Kristić

Rijeka TEVAR - Better be safe then sorry
 K. Toplice TAVI in patients with reduced left ventricular ejection fraction
 Rijeka Cerebral Embolic Protection in TAVI (sponsored by BSC)
 Zagreb Assessment of platelet function during transcatheter aortic valve implantation
 K. Toplice Diagnostic and treatment of coronary artery disease in TAVI-patients
 Zagreb Interventions in structural heart disease in University Hospital Dubrava
 Split TAVI transfemoral evolution, case series

Friday 2.10.2020.

Complex Lesions part 2.

Chairman: M. Trbušić, B. Starčević, D. Kirner

9:00 - 9:15 L. Rotkvić, K. Štambuk, T. Šipić, I. Šesto, D. Richter, J. Szavits Nossan, A. Jelić
 9:15 - 9:35 M. Bastos
 9:35 - 9:50 M. Trbušić
 9:50 - 10:10 A. Toma
 10:10 - 10:25 B. Starčević
 10:25 - 10:40 M. Pavlov, Z. Babić, M. Trbušić, V. Radeljić, P. Radić, D. Delić Brkljačić

K. Toplice Coronary arteries with anomalous origin - diagnostic and intervention
 Rotterdam Ventricular assistance: indications (sponsored by Sonimed)
 Zagreb Excel trial controversy - are we doing all wrong?
 Vienna Orsiro. The evidence. (sponsored by Biotronik)
 Zagreb Special CTO Populations
 Zagreb Left main stenosis: how do we treat?

Anticoagulant and Antiplatelet Therapy in PCI

Chairman: A. Lazarević, T. Jakljević, I. Kristić

10:40 - 10:55 J. Šikić
 10:55 - 11:10 E. Margetić

Zagreb Rivaroxaban: CAD & PCI (sponsored by Bayer)
 Zagreb Apixaban in Patients With NVAf and ACS and/or Percutaneous Coronary Intervention (sponsored by Pfizer)

11:10 - 11:30 Coffee Break

Chronic Coronary Syndrome & Secondary prevention of CAD

Chairman: D. Miličić, I. Merćep, E. Margetić

11:30 - 11:45 A. Jelić
 11:45 - 12:00 A. Blivajs
 12:00 - 12:15 I. Šesto, D. Richter, K. Štambuk, T. Šipić, Z.A. Korda, J. Szavits Nossan
 12:15 - 12:30 E. Margetić
 12:30 - 12:45 I. Merćep, L. Anžić, E. Budimir
 12:45 - 13:00 D. Miličić
 13:00 - 13:15 M. Kolarić

K. Toplice The role of bisoprolol and nebivolol in reduction of CV risk factors (sponsored by Alkaloid)
 Zagreb The role of rosuvastatin and atorvastatin in secondary prevention of CV disease. Who and When? (sponsored by Alkaloid)
 K. Toplice PCI and CABG, sequential approach for hybrid treatment of chronic coronary syndrome.
 Zagreb The role and benefit of ranolazine in treatment of chronic coronary syndrome (sponsored by Berlin Chemie Menarini)
 Zagreb Statin intolerance: Still more questions than answers
 Zagreb Breakthrough in the medical management of heart failure (sponsored by AstraZeneca)
 Zagreb Management of Resistant hypertension with Renal denervation! Do we have new evidence? (sponsored by Medtronic)

The class classics: dabigatran and empagliflozin in contemporary cardiology (sponsored by Boehringer)

Chairman: T. Letilović

13:15 - 13:25 T. Letilović
 13:25 - 13:35 J. Bulum
 13:35 - 13:45 M. Trbušić

Zagreb Complex PCI with a safety net - case presentation
 Zagreb 21st century patient - case presentation
 Zagreb Decanter of endless water - case presentation

Dual antiplatelet therapy after an acute coronary syndrome (sponsored by AstraZeneca)

Chairman: E. Margetić

13:45 - 14:00 E. Margetić
 14:00 - 14:15 Z. Babić
 14:15 - 14:30 J. Bulum

Zagreb The importance of dual antiplatelet therapy in acute coronary syndrome
 Zagreb DAPT after ACS: How long?
 Zagreb DAPT strategy results in favorable net clinical benefit in CAD patients with T2DM and prior PCI

14:30 - 15:30 Lunch Break

Acute coronary syndrome

Chairman: E. Galić, A. Lazarević, K. Marić Bešić

15:30 - 15:45 A. Lazarević
 15:45 - 16:00 K. Marić Bešić
 16:00 - 16:15 E. Galić
 16:15 - 16:35 Z. Lasić
 16:35 - 16:50 E. Margetić
 16:50 - 17:05 I. Hadžibegović

Banja Luka What's New in the Fourth Universal Definition of Myocardial Infarction?
 Zagreb Acute coronary syndromes in metastatic cancer patients - clinical and ethical dilemmas
 Zagreb Real-World Approaches to Cardiogenic Shock and Hemodynamic Support
 New York Pulmonary Embolism and PERT for Interventional Cardiologist - 101
 Zagreb Treating dyslipidemia in ACS patients - ESC/EAS 2019 guidelines in clinical practice (sponsored by Sanofi Aventis)
 Zagreb Praluent - "Standard of care" in treating ACS patients (sponsored by Sanofi Aventis)

17:05 - 17:25 Coffee Break

Croatian primary PCI network

Joint Session of the Working Group on Acute Coronary Syndrome and the Working Group on Invasive and Interventional Cardiology

Chairman: Z. Babić, S. Lončar, D. Zekanović

17:25 - 17:40 S. Lončar
 17:40 - 17:55 Z. Babić
 17:55 - 18:10 E. Margetić
 18:10 - 19:10 Delegates from Croatian PCI network participating centers
 19:10 - 19:25 Z. Babić, M. Pavlov

Banja Luka Treatment of patients with myocardial infarction in Banja Luka
 Zagreb Croatian primary PCI network 2018-2020.
 Zagreb Results of acute myocardial infarction treatment from "Stenos" registry
 Zagreb Acute myocardial infarction treatment results of interventional centers in Croatia in 2018 and 2019
 Zagreb Conclusion

20:00 - Get together reception

Saturday 3.10.2020.**Case reports part 1. (supported by AstraZeneca)****Chairman: T. Krčmar, Z. Makarović, K. Štambuk**

10:00 - 10:15	O. Čančarević	Zagreb	Ticagrelor 180,260,540
10:15 - 10:30	V. Pivac	Split	GROMada
10:30 - 10:45	L. Bastiančić	Rijeka	Acute coronary syndrome in outpatient department
10:45 - 11:00	M. Vučković	Osijek	Reined stent
11:00 - 11:15	M. Hranilović	Čakovec	Ticagrelor in interventional treatment
11:15 - 11:30	A. Jelić	K. Toplice	One quite ordinary STEMI

11:30 - 11:50 Coffee Break**Case reports part 2.****Chairman: B. Skorić, S. Makarović, M. Kovačić**

11:50 - 12:05	M. Knežević Praveček, K. Gabaldo, K. Cvitkušić Lukenda, B. Vujeva, I. Dunder, A. Raguž, T. Krčmar, B. Starčević	S. Brod	Successfully opening an in-stent chronic total occlusion lesion of the right coronary artery in a patient with peripheral artery disease
12:05 - 12:20	M. Kovačić, D. Dilber	Čakovec	"Tip-In" or "Rendezvous" techniques as a first choice in retrograde chronic total occlusion interventions
12:20 - 12:35	K. Gabaldo, B. Vujeva, K. Cvitkušić Lukenda, M. Knežević Praveček, D. Vučić	S. Brod	Treatment of a true CXA-OM bifurcation lesion using a one stent drug-coated balloons provisional technique
12:35 - 12:50	M. Kovačić, D. Dilber	Čakovec	"De-novo DCB-only" in complex coronary interventions and chronic total occlusion percutaneous coronary intervention
12:50 - 13:05	B. Skorić, J. Bulum, H. Jurin, K. Marić Bešić, M. Čikeš, I. Planinc, M. Dubravčić, D. Šipuš, R. Žunec, M. Burek Kamenarić, D. Miličić	Zagreb	Detection of early cardiac allograft vasculopathy in a high-risk transplant patient using optical coherence tomography
13:05 - 13:20	S. Makarović, M. Vučković, Z. Makarović, D. Kirner	Osijek	Coronary artery aneurism – is a stent enough?

13:20 - 13:30 E. Margetić**13:30 - 14:30 Lunch****Posters**

K. Klarić, Z. Ostojčić, K. Marić Bešić, B. Skorić, I. Škorak, H. Jurin, M. Strozzi, E. Margetić, J. Bulum	Zagreb	Long-term angiographic and clinical outcomes after coronary intervention using drug-coated balloons in acute coronary syndrome
